Policy- A \$500 retainer (which will be applied to your order) is required to guarantee your date and time. The balance is due monthly, with the remaining balance due 30 days prior to your wedding date. Within about two to three weeks following your wedding, your photographs will be posted on-line for viewing by family and friends. Approximately six to eight weeks after your wedding, you will be invited to view the layout of your album in our studio and place any orders you may have for family and friends. The majority of the images taken at the wedding will be included in your album. The exact number of photographs in your album will depend on several factors: the number of attendants in your wedding, the events of the wedding, and the amount of time you make available for photographs (of course larger coverages will include a larger number of images). The retainer is not refundable if the wedding is cancelled or we cannot cover it due to a date or time change made by you.
